

2018-19 Education/Technology Fund Drive

Every Sands student and family is unique. Our students find love, joy, and achievement in the many different activities offered by our community. Each of these experiences helps them make the world a brighter, peaceful, happier and better place. A variety of enrichment programs are open to all Sands students. We're seeking support from across the school community to help raise funds to make sure these programs are accessible to all students, through scholarships.

Our goal for 2018-2019 is \$2,500. These scholarships ensure every student has access to build skills, minds, dreams, and bright futures.

Please select which option(s) works for you and complete the form and return to school by October 26th, 2018.

1. I love reading a good book and going to the theater/movies. Having **acting skills for life** will nourish and enrich kids to be the next best selling author or EGOT (Emmy, Golden Globe, Oscar & Tony) award winner. I'd like to donate to help develop the next John Legend, Robert Lopez, Whoopi Goldberg, and Mel Brooks of the world.
2. I love creating artwork pieces as a hobby, profession or gift to others, be it in the form of **arts & crafts** or **scrapbooking**. I would like to donate to grow a future Frida Kahlo, Martha Stewart, Bob Ross, and Charlie Harper of the world.
3. I love **singing** in the car, shower, karaoke style to myself, family & friends, or others; and sometimes rock out playing air **guitar** or **piano** too. I would like to donate for **lessons** to build up the next Shakira, Lady Gaga, Prince (who could sing and play 40+ instruments), Pink, and Elton John.
4. I love fun facts and learning about/experiencing different cultures, **food, art** and languages (**Spanish** is the official language of 21 countries, and over 38 million in US homes). I would like to donate for **lessons** to nourish future Food Network hosts like Marcela Valladolid, Aaron Sanchez, Nigella Lawson, Carla Hall, Emeril, and Jamie Oliver.
5. I love being inspired and seeing kids in action, be it in real life like Sands student Miranda Hartnell who recently won 3 National Titles in **karate**, or role playing as Jackie Chan, Power Rangers, or Teenage Mutant Ninja Turtles. I also love taking on new challenges, and building things like **Young Engineers: Lego Robotics**, and admiring it in the Lego movie. I would like to donate.

Yes – one or more of the above sounds like me! Please find my enclosed donation of \$10 / \$15 / \$25 / \$50 / \$100 / Other \$ _____

I love Sands, and at this time I would like to donate my time to volunteer. Sign me up!

E-mail: _____

All funds raised will go to the Education/Technology Fund to be distributed across all SEP classes to those eligible for a scholarship. Each student eligible will be given one scholarship per semester to be applied to one class.

Cash or check donations are accepted. Please make checks payable to "SMPO" with "ETFD" in the note. To donate online, please visit sandsparents.org/store and scroll to find "Education/Technology Fund Drive donation" section. Please consider sharing this fundraiser with family and friends to ensure we meet and exceed our fundraising goal.
