Dear Sands Families,

We had planned to participate in a school-wide celebration of peace next week. Like last year, our goal was to have every staff member and student wear the peace tee shirt for our peace celebration. To date, we are 150 orders short.

We will reschedule the peace celebration to April. You will find the form below if you would like to order a shirt that was created by Sands fifth grader, Katie Spector. Her beautiful design is featured below and will be displayed on a light blue tee shirt. Please also consider donating so that a student in need at Sands can receive a shirt. All orders are due Thursday, March 21st.

Thank you for your part in helping to promote and celebrate our peaceful school community!

Warm Regards,

Sarah Lord
