 - 1.1. Pursuant to the SMPO Bylaws, Section 8.3.4.4, the Business Manager shall designate at least one SMPO member responsible for all funds exchanged at any SMPO-sponsored event.
 - 1.2. SMPO Funds Handling Procedure Document:
 - 1.2.1. The Business Manager is responsible for maintaining a SMPO Funds Handling Procedure document that articulates the funds handling procedure.
 - 1.2.2. For each specific activity or event involving SMPO funds, the designated SMPO member or Business Manager must have each volunteer dealing with funds read and sign the SMPO Funds Handling Procedure. This document shall be filed with the business records maintained by the Business Manager for that current school year.
 - 1.2.3. If an SMPO member refuses to read and sign or refuses to follow the procedures listed in the Funds Handling Procedure document, that member shall not be allowed to handle any SMPO funds.
 - 1.3. The Business Manager is responsible for maintaining a Summary of Funds Received form to be completed any time funds are counted. This form should provide the total balance of funds received, list the types of funds received, and list any categories to which the funds apply to such as the type of event or type of fundraising. This form should then be signed by the SMPO members who counted the funds and who have read and signed the SMPO Funds Handling Procedure. This document shall be filed with the business records maintained by the Business Manager for that current school year.

If the Business Manager or SMPO designated member cannot take the funds home, then another member shall be designated to take the funds home and the Business Manager shall be notified of this person.
- 1.4.3.3. If SMPO funds are taken home, prior to going home, all funds should be counted, detailed by type (i.e. cash, check, gift card, etc.), and the amounts documented and signed by two designated SMPO members who have read and signed the SMPO Funds Handling Procedure document. The funds and the signed documents detailing the amounts should be locked in a lock box and remain locked in the lock box until the lock box can be taken to school. Once returned to school, the lock box can be opened, recounted and the enclosed document can be signed confirming that all funds were present.
- 1.4.4. Members who count funds cannot be related by blood, marriage or domestic partnership.
